1 Clarification

March 30 - Updating the closing date on CInet to reflect the same date as NBON has recorded. We have to do this to have the project show up on the CInet bulletin. We will change the status of the project once we have received an addendum for DTI.

This tender is being place on hold. Further instruction for a closing date will be issued in a forthcoming addendum

****A SITE REVIEW WILL BE HELD ON MARCH 31, 2020 AT 10:00AM****
