**NB-18-352** Advance Procurement Notice,

Purpose of this Advance Procurement Notice This is not a bid solicitation. This is an advance notice of potential projects with anticipated security requirements to provide interested contractors an opportunity to apply for security clearances. Note that there is no guarantee that these projects will proceed. Description of the Program The Construction Program will consist of multi-trade and single trade, construction projects of varying sizes and complexity. The program may include, but is not limited to new construction, repair, renovations and maintenance of Department of National Defence (DND) infrastructure in support of Canadian Forces Operations. Additional technical services supporting the program may also include, but not limited to, studies & designs, land surveying, materials testing, geological and environmental studies. Overall program value is estimated at \$13,000,000.00 with the maximum value of any individual project \$5,000,000.00 , Fredericton - Oromocto, New Brunswick
