

## NEWS & EVENTS

### November 1, 2019

DATE	2019 EVENTS	LOCATION
Nov 4, 2019	The Construction Execution Plan	297 Collishaw Street Time: 8:30 am
Nov 5-6, 2019	Responding Successfully to an RFP	297 Collishaw Street Time: 8:30 am
November 26 -27, 2019	Industry Forum	Saint John Convention Centre Saint John, NB
December 19, 2019	Membership Dinner	Four Points Sheraton, Mapleton Rd, Moncton, NB Time: 6:00 pm

The following is a list of courses that are being offered by the NBCSA. If you would like to register for any of these courses please contact **Krista Jardine** at 506-627-1477, by e-mail at [registration@nbcsa.ca](mailto:registration@nbcsa.ca) or fax at 506-624-9581. **NOTE:** All of our courses are available in any area, providing there are sufficient numbers of interested participants or if the company (companies) wish to cover a **minimum class recovery fee** to put on the course.

**New to NBCSA – Manlift Awareness On-Line!**

**We have Safety Orientation, WHMIS,  
Confined Space Awareness Refresher and Fall Protection Refresher On-Line\***

**\*Please note:** Students taking the On-Line Fall Protection Refresher are only permitted to refresh on-line once every six years. This means that if a person has taken a classroom course, when their certificate is up for expiry they can take the Refresher On-Line, however when that certificate expires they must take the classroom course.

**Due to the high demand, additional courses may have been added to our schedule with more being added every week. Please check this bulletin for added dates. Dates in bold have been added to the regular schedule.**

## NEW BOOTS MORNING MIXER

Join us for a breakfast event to learn more about women in skilled trades

**Date:** November 19, 2019

**Time:** 8:30am-10:00am

**Location:** NBCC Moncton Campus

**Price:** \$10

**Register at** [info@mapsws.a](mailto:info@mapsws.a) or 658-8282

## NOUVELLES BOTTES CAUSERIE DU MATIN

Lors d'un petit déjeuner, venez écouter un panel représentant des femmes oeuvrant dans un métier spécialisé non traditionnel.

**Date:** le 13 novembre 2019, 8 h 30 à 10 h

**Lieu:** CCNB Edmundston

**Frais:** 10 \$

**Inscription:** [amy.clavette@ccnb.ca](mailto:amy.clavette@ccnb.ca)

# DESTINATION Canada FORUM MOBILITÉ

## **Vous êtes à la recherche de personnel qualifié? Nous pouvons vous aider!**

Une équipe du **RDÉE NB** sera présente au forum de l'emploi Destination Canada à Paris et Bruxelles du 15 au 19 novembre pour représenter **gratuitement** les employeurs à la recherche de personnel qualifié. Ce forum offre une occasion unique de rejoindre un nombre important de candidats qualifiés et prêts à l'immigration. En travaillant étroitement avec les employeurs, nous pourrions informer les candidats sur les emplois à pourvoir dans la province.

Il suffit de nous contacter afin de discuter de vos besoins. Notre équipe veillera à vous rapporter des candidatures ciblées pour vos postes à combler. Faites leur parvenir vos offres d'emploi le plus tôt possible.

Pour information sur Destination Canada : <http://www.destination-canada-forum-emploi.ca/accueil.php?lang=fr>

The construction industry is poised for disruption, digital technologies and processes are transforming the traditional planning, design, construction and operation of the built environment. Digital transformation will result in time savings, increased quality, improved safety, greater sustainability and waste reduction. New processes like off-site construction (pre-fabrication & modularization), digital workflows and the adoption of new automation technology are propelling the industry into a more productive and efficient future.

This session will host senior management executives, technology leaders and prominent researchers who will demonstrate how the design, construction and facility management industry are embracing digital transformation and benefiting from adopting new technologies and processes. Join us in Fredericton at the University of New Brunswick, home to Canada's first engineering program and the newly established Off-site Construction Research Centre (OCRC) – a collaborative research hub connecting industry and academia in partnership with OSCO Construction Group.

### **Nominations are now being accepted for the 2019 CCA awards**

The Canadian Construction Association's (CCA) national awards program recognizes the important contributions of individuals, organizations and projects that promote and enhance the Canadian construction industry.

Are you an innovator? A community leader? Do you pride yourself on your commitment to national safety or the environment? You, or someone you know, may be eligible for an award of excellence.

Awards of excellence

- [Person of the Year](#)
- [Excellence in Innovation](#)
- [Workforce Excellence](#)
- [Environmental Achievement](#)
- [International Business](#)
- [National Safety](#)
- [Partner Association](#)
- [Community Leader](#)
- [Gold Seal Association](#)

The awards program is open to all relevant CCA member organizations and individuals who meet the requirements of each award, regardless of organization size or project scope. Nominations should demonstrate a promotion and advancement of the construction industry in Canada.

**The submission deadline for the 2019 CCA awards is November 25, 2019.** The awards will be presented at CCA's annual conference on March 17, 2020.

## MEDIA RELEASE

Release Date: October 22nd, 2019

# 2019 Distinction in Mentorship Awards Outstanding Apprentice

The **Distinction in Mentorship Awards** gala, hosted by **NBMAP**, honours industry and individuals who champion effective mentorship in the skilled trades. On November 7th, employers, unions, associations and partners will come together in Saint John to recognize the individuals who have been nominated by their peers in industry for their dedication to their trade, the apprenticeship system and workplace mentorship.

We are pleased to announce the top three nominees in the **2019 Outstanding Apprentice** category: **Christian Leblanc**, **Pascal Doiron** and **Chris Maclean**.

**Christian Leblanc** is a boilermaker apprentice who joined Local 73 in March 2016. His attitude and work ethic have been exemplary throughout his apprenticeship and he has established himself as an outstanding welder. During his apprenticeship he became a qualified pressure welder by taking night classes and welding training programs. The contractors reports for Christian were outstanding throughout his apprenticeship and he has been praised for his hard work and attitude towards safety.

*"Boilermakers Local 73 is proud to have Christian among the group of this years' top boilermaker apprentices in the country. He is a true representative of an outstanding apprentice." ~ Mario Leblanc & David Noel*

**Pascal Doiron** is an automotive service technology apprentice employed with JPs Garage in Dieppe. He is extremely passionate about his trade and prepared to discuss all things automotive even when he is not working or preparing to compete in competitions. He is truly committed to being one of the best and often puts in a full workday before returning home to further train in skills required for competition purposes. Pascal is known for never backing down from a challenge and attended his first national Skills Canada competition as a pre-employment student.

*"Pascal is truly one of a kind in every way. Never have I had the opportunity to work with an apprentice who is so passionate about what he does, even when he is not working or competing Pascal is always talking about his trade." ~ Courtney Donovan & Lloyd Keirstead*

**Chris Maclean** is a pipe welder apprentice employed with Lorneville at the Irving Oil Refinery and a member of Plumbers & Pipefitters Local 213. Chris is dedicated to becoming a leader within the welding trade and often goes above and beyond to obtain additional training and opportunities for

experience. His qualifications and welding tickets are well above the norm for an apprentice at this level. He has demonstrated a positive attitude, good listening skills, safe work approach and an excellent work ethic.

*"Chris is an example of a dedicated trades person going above and beyond to become a leader in the welding trade. He has demonstrated a real desire to attain knowledge and has excellent work ethic." ~ Kerry Wilson & Mike Williams*

The annual **Distinction in Mentorship Awards** are being held at the **Lily Lake Pavilion** in **Saint John** on **November 7th**. This event includes a networking hour, three-course dinner, silent auction, candy buffet and the awards ceremony. We look forward to celebrating our 2019 Industry Champion and announcing this year's top Master Mentor & Outstanding Apprentice. To reserve tickets (\$125.00+tax) or a table (\$900.00+tax), contact NBMAP by email [info@mapsws.ca](mailto:info@mapsws.ca) or phone (506) 658-8282.

e| [jane@mapsws.ca](mailto:jane@mapsws.ca)

**About NBMAP:**

NBMAP (New Brunswick Mentor Apprentice Program) is a program dedicated to creating mentoring and learning cultures to increase the quality and effectiveness of on-the-job training, knowledge transfer and inclusion in NB workplaces. NBMAP is delivered by MAP Strategic Workforce Services, a provincial industry-led non-profit organization which was formally incorporated as a non-profit organization in February 2016. NBMAP is championed and supported by the New Brunswick Building Trades Unions and the Department of Post-Secondary Education, Training & Labour - Apprenticeship and Occupational Certification Branch.
