DATE	2020 EVENTS	LOCATION
June 18, 2020	Aon Presentation Assurity and Financial Implications of Re-Opening the Construction Industry in New Brunswick.	Zoom

**All in-person events are on hold until further
notice.**

Contact NBSCA for a list of courses that are being offered by the NBCSA. If you would like to register for any of these courses please contact **Krista Jardine** at 506-627-1477, by e-mail at **registration@nbcsa.ca** or fax at 506-624-9581. **NOTE:** *All of our courses are available in any area, providing there are sufficient numbers of interested participants or if the company (companies) wish to cover a minimum class recovery fee to put on the course.*

As part of New Brunswick Construction Safety Association's (NBCSA) continuing efforts to ensure the safety of our course participants and staff amid ongoing concerns about the impact of COVID-19 (novel coronavirus), we are taking precautions to help minimize exposures for our stakeholders.

Given the rapidly evolving COVID-19 situation, your NBCSA is suspending all in-classroom training and external audits effective Wednesday, March 18th, through Friday, April 3rd (Subject to change as new information arises.)

Our professional staff will continue to work onsite at our facility providing quality support and assistance to our stakeholders by email and phone.

Please continue to check our website, as well as our social media apps for further updates on our services.

**We have Safety Orientation, WHMIS,
Confined Space Awareness Refresher and Fall Protection Refresher On-Line***

***Please note:** Students taking the On-Line Fall Protection Refresher are only permitted to refresh on-line once every six years. This means that if a person has taken a classroom course, when their certificate is up for expiry they can take the Refresher On-Line, however when that certificate expires they must take the classroom course.
