Northeast

**Membership Kit**

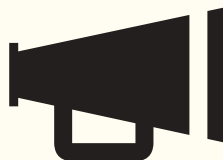

The Construction Association of New Brunswick - Moncton Northeast (CANB-Moncton Northeast) established in 1942, is one of New Brunswick's leading business associations, representing the interests of general contractors, trade, sub-contractors and suppliers to the construction Industry at the local, provincial and national level. The association membership includes nearly 400 businesses, mainly operating in Eastern New Brunswick.

CANB-Moncton Northeast offers a suite of essential services that make it easier for you to succeed:

We Educate

**We support a culture of continuous learning across the industry by providing technical and non-technical training.**

We Advocate

**We foster an environment that encourages collaboration, innovation and adoption of standard practices to promote fairness and transparency across the industry.**

We Facilitate

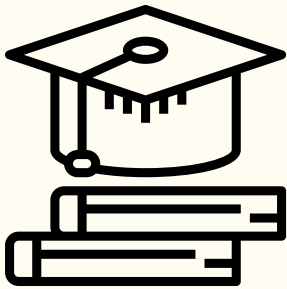

**We facilitate connections for our members by providing business-oriented programs, services, and resources that include first-class networking opportunities.**

# How We Educate

CANB-Moncton Northeast fosters a culture of continuous learning across the industry. Our education programs are designed to advance leadership skills in the industry. Training is based on the needs of our members.

CANB-Moncton Northeast - Education Committee consists of a dedicated group of volunteers who feel passionate about advocating for careers in the Construction Industry. They work to develop training solutions that fits the needs of the Industry. Most courses are designed to provide Gold Seal Credits. Leading Gold Seal Accreditation.

# How We Advocate

CANB-Moncton Northeast promotes the contributions and importance of the construction industry to our economy. We make the views of construction-related firms known to governments, legislators, the media and the public. Membership in the Association allows you to have a voice in this process. The Association is a member of the Construction Association of New Brunswick and the Canadian Construction Association and maintains a relationship with other construction-related associations throughout Canada.

The Association is the accredited employer's organization under the New Brunswick Industrial Relations Act and bargains on behalf of its certified members with both the Labours International Union of North America, LiUna Local 90 and the United Brotherhood of Carpenters and Joiners of America Local 1386.

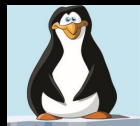

# How We Facilitate

At CANB-Moncton Northeast, we nurture connections and opportunities across industries by providing a range of business oriented events, programs, services, and support that include first-class networking opportunities. With nearly 400 members, we are Atlantic Canada's largest regional construction Association.
